Dear Friends of Lowry Elementary School:

Lowry Elementary School is hosting its Fifth Annual Auction on 4/18/2008. We are expecting well over 200 guests from the Denver area – all current or potential customers of your business. Because Lowry Elementary has an economically diverse student population with both transitional and low-income housing, including several homeless families, we are faced with many unique challenges and the Auction goes a long way in helping us meet them.

Today, as a partner in our community, we are asking you for a donation:

- of goods,
- or services,
- or a sponsorship.

We sincerely hope you can help us. In return, your business will be recognized as a donor or sponsor in the following ways:

- identification on our PTO Website at www.lowrypto.org; AND
- in our school display case; AND
- in our Auction Program; AND
- on our Bid Sheet at the Auction; AND
- at our Auction this Spring.

Your contribution is also tax deductible; our tax ID is printed on the Donation Form you will receive as a receipt. Our deadline for donations is March 29, 2008. You may mail your donation to the school at 8001 East Cedar Street, Denver, 80230, or simply call us at the numbers below and we will be happy to pick it up and thank you for your generosity in person.

Funds from last year's Auction benefited our student body with valuable extras such as our After School Enrichment Program, breaking ground on our Serenity Garden, purchasing books and supplies for our Library, Arts, Music, and Computer classes, in addition to added professional instruction and classroom materials to meet the needs of our growing school. Your contribution is truly appreciated by the Lowry community and makes a considerable difference in the quality of education we are able to provide to all our students. We hope this year's fundraiser will make possible our school's continued success.

We are grateful for your consideration of our request. A supportive business community is one of our school's greatest assets. If you have questions, please contact Lolly Block at 303.672.2267, email lolly.block@vicorpinc.com.

Best Wishes,
